*West Red Lake Gold Mines Inc. is a Toronto-based minerals exploration company focused on gold exploration and development in the prolific Red Lake Gold District of Northwestern Ontario, Canada. The Red Lake Gold District is host to some of the richest gold deposits in the world and has produced over 30 million ounces of gold from high grade zones. The company has assembled a significant property position totalling 3100 hectares in west Red Lake (the "West Red Lake Project") which contains 3 former producing gold mines. The Mount Jamie Mine and Red Summit Mine properties are 100% owned by the company and the Rowan Mine property is held in a 60% owned joint venture with Red Lake Gold Mines, a partnership of Goldcorp Inc. and Goldcorp Canada Ltd. The properties cover a 12 kilometre strike length along the West Red Lake Trend and the company continues to explore these properties both along strike and to depth.
